June 23, 2008

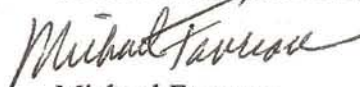

The Ronald McDonald House of Springfield, MA is proud to endorse the fundraising efforts of Samantha Udolf in "Sam's Race for a Place," downhill skiing to support the Ronald McDonald House of Springfield, MA. This talented, ambitious young lady and athlete has created this fundraiser to help support our House and mission. With six championship awards already to her credit, Samantha also manages to receive academic honors and was a member of the Honor Society for grades 6 – 8. Samantha Udolf is a very special teen actively seeking to help our very special kids and their families.

Our House is over seventeen years old and we have serviced over 8,443 families! Our mission is to provide housing for families with a child being treated in a local medical facility and to provide a home away from home. We serve families from Baystate Medical Center Children's Hospital, Shriners Hospital, and other local medical facilities. Our guests come from all over the world and represent many diverse cultures. We are not supported by any one organization nor do we receive any government funding. We must raise funds and support our annual operating budget of approximately \$275,000 annually, and to continually make improvements to our House.

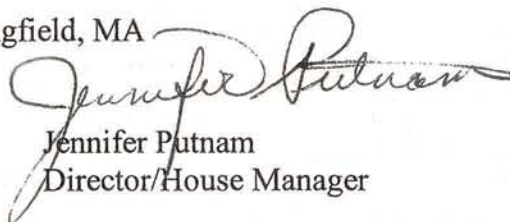

We thank you for taking the time from your busy life to consider Sam's proposal. The sponsorship form is attached to this letter for your review. If you would like more information about our House and programs, you can view our website at: www.ronmcdhouse.com or call us at (413) 794-5683.

Our Board of Directors, staff, and especially our families thank you for your time and consideration.

Very truly yours,
Ronald McDonald House of Springfield, MA
